RE: Change in Ownership Water Right No. 72-230R

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** In order for the department to update the ownership of water rights, a copy of the recorded Warranty Deed or other legal document indicating your ownership in the water right or property is required. The department acknowledges receipt of a portion of a commitment for title insurance. This is a preliminary document and cannot be used to update the ownership. Please submit a full copy of the recorded Warranty Deed or other legal document indicating your ownership in the water right listed above.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
