FOR WATER RIGHT 2-10378**

*****TIME SENSITIVE RESPONSE REQUIRED*****

Dear Applicant,

The Department of Water Resources (Department) mailed **two original Water Supply Bank Lease Contracts for your review and signature** on March 12, 2025. The signed contracts have not been returned to the Department.

Please sign both original Lease Contracts and return them to the Department within ten (10) days of this letter to complete processing. The Lease Contract is not considered final until both you and the Department have signed.

If the signed lease contracts are not received by the Department within the 10-day period, the lease application will be returned, and the application fee will not be refunded. You can reapply to lease the water right in the future by submitting new application form along with applicable fees.

Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right form. This and other water right forms are available from the Department's web site at www.idwr.idaho.gov.

13	Narrative:			
	Lease application received on Dec. 10th 2024 for 5 years beginning in 2024. Lease application was submitted by Stanley Morse who is the designated applicant and has authority to sign. This Right is a split of 2-2121B (Monrieth). WR was decreed in 2009. This is a repeat application; the full WR has been leased into the WSB since 2010. There is a combined use limit for 64 WRs that use the same POD with combined rate of 74.3 cfs. If this WR is to be rented (It has not been rented during any past lease periods) and diverted from a different POD there should be a review of C/L at the POD to avoid injury/enlargement. This Right is currently not in any WD.
