LEASE AGREEMENT - DRY LAND

THIS LEASE AGREEMENT ("Lease"), is effective as of the 1st day of March, 2012, by and between **J. R. Simplot Company**, a Nevada corporation, of 999 Main Street, Suite 1300, Boise, Idaho 83702 ("Lessor"), and **Harper Family Partnership**, an Idaho general partnership, of 196 N. 840 S. Declo, ID 83323 ("Lessee").

WITNESSETH:

1. **Lease.** Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, on the terms and conditions herein set forth, the real property located in Cassia County, Idaho, and described on Exhibit A attached hereto ("Property"). This Lease is subject to (i) all easements, restrictions, rights-of-way, covenants, conditions, reservations and exceptions of record, (ii) grazing of Lessor's cattle on the Property (unless Lessee, at its sole expense, elects to construct fences to keep Lessor's cattle off the Property) and (iii) hunting rights, all of which are reserved by Lessor and which shall be exercised in a manner that will not unreasonably interfere with Lessee's use of the Property.

Access to the Property shall be over adjacent real property owned by Lessee and Lessor shall have no obligation to provide Lessee with access to the Property.

2. **Term.** The initial term of this Lease shall be for nine (9) months and shall commence on March 1, 2012 and expire on November 30, 2012. The term of this Lease shall automatically be renewed for subsequent one-year terms commencing December 1 of each calendar year and expiring November 30 of the subsequent calendar year unless either party provides the other with written notice of termination on or before August 1st of any calendar year, in which event the Lease shall expire on November 30th of the same year. The word "term," when used in this Lease, shall refer to the initial term and/or a renewal term, as applicable.

3. **Rent.** For the initial term, Lessee agrees to pay to Lessor cash rent of Six Thousand Dollars (\$6,000.00), due and payable on or before March 1, 2012. Rent for each subsequent one-year term shall be increased by an amount equal to three percent (3%) per term, and shall be due and payable on or before March 1st of the then-current term. All rent payments shall be payable to address at the following address or such other address as Lessor may specify by notice to Lessee:

Attn: Dick Becker
Simplot Land & Livestock

Grand View, ID 83624

4. **No Liability of Lessor.** Lessor shall in no way be responsible for loss or damage from any cause to personal property of any nature placed in or on the Property in conjunction with Lessee's use of the Property or otherwise.

5. Irrigation Water: Irrigation Equipment.

a. Lessee acknowledges that the Property is currently dry land used for grazing and that Lessor shall provide no irrigation water to the Property. All irrigation water shall be provided by Lessee, at its expense. Lessor hereby consents to a transfer by Lessee of Lessee's water rights to the Property, and acknowledges that Lessor has no ownership interest in such water rights. Upon termination of the Lease, Lessor will cooperate with Lessee, at no expense to Lessor, in Lessee's transfer of such water rights from the Property.

b. Lessee shall provide all irrigation equipment necessary for irrigating the Property. Lessee shall cause all such irrigation equipment to be removed from the Property on or before expiration or earlier termination of this Lease.

6. Maintenance and Repair. Lessor shall have no obligation for maintenance or repair of the Property. Lessee shall take good care of the Property, keep the same in neat and orderly appearance, farm same in a good and farmer-like manner, perform normal upkeep and maintenance, allow no waste or injury to be committed thereon, and shall, at its expense, make all repairs necessary to keep the Property in good condition and repair. Lessee shall, at the end of the term or any earlier termination, quit and surrender the Property in as good order and condition as it was at the beginning of the term, reasonable wear and tear and loss from the elements of fire or Act of God excepted. Lessee shall not make any alterations to the Property without the prior written consent of Lessor, which consent may be granted or withheld in Lessor's sole discretion.

Lessee shall mow and otherwise control, by mechanical or appropriate chemical means, all weeds (noxious and otherwise) prior to their maturing viable seeds, on the Property. Lessee agrees to perform this weed control at its own cost and expense.

The Property shall be used solely for the production of legal crops. Lessee shall not maintain or use the Property for any unlawful purpose. All chemicals shall be stored and used in a manner that shall not constitute a hazard or danger. Lessee shall not use the Property so as to create a nuisance to the surrounding area. Lessee shall keep the Property free of any and all mechanics' liens and any other liens or encumbrances.

7. Indemnification. Lessee shall indemnify, defend and hold Lessor harmless from any and all claims, demands, damages, injuries, rights and causes of action, whether validly asserted or not, arising by reason of any act, conduct, negligence or omission to act of Lessee, any of its agents or employees, or any sublessee of Lessee whether or not the basis for such asserted claims arise on or off the Property.

Lessee shall carry throughout the term hereof such workers' compensation insurance as may be required by applicable law and comprehensive liability insurance with limits of at least \$2,000,000 naming Lessor as additional insured with a deductible acceptable to Lessor, such insurance covering all Lessee's operations hereunder and its obligations to Lessor. Lessee shall furnish Lessor with certificates of insurance on such

insurance coverage and such other proof of such insurance as Lessor may request. Said certificates of insurance shall include the statement on the certificate that the insurance company shall give Lessor at least fifteen (15) days' notice in the event of lapse or change in insurance coverage.

8. **Lessor's Right of Entry.** Lessor shall have the right to enter upon the Property at such times and places as may be necessary for the purpose of inspecting said Property, and to ensure compliance with this Lease.

9. **Taxes.** Real property taxes levied upon the Property shall be paid by Lessor. Water assessments (if any) and taxes upon Lessee's personal property, including crops, shall be paid by Lessee.

10. **Additional Obligations of Lessee.** Lessee further agrees that it will perform, operate, furnish or pay according to the following:

- a. All ground preparation.
- b. Cultivate the Property in a timely, thorough and businesslike manner, in accordance with standards of good husbandry, including proper crop rotation. Lessee shall keep the Property neat and orderly, and neither commit nor permit waste or injury to the Property.
- c. Provide all machinery, equipment, labor, fuel and electricity necessary to irrigate and farm the Property properly. Lessee shall also be responsible for any and all electrical service costs associated with the irrigation of the Property.
- d. Provide all materials necessary for production of crops in accordance with accepted farming practices.
- e. Prevent weeds from going to seed on the Property and control pests and injurious insects. If Lessee fails to perform these covenants, Lessor may (but is not obligated to) enter upon the Property and perform such operations as may be required and charge Lessee for the same.
- f. Conduct farming operations within applicable law and regulations of federal, state, county and other regulatory agencies.

11. **Agricultural Chemicals.** No poison, herbicide, pesticide, fertilizer or other foreign chemical or substance, other than those approved by the United States Department of Agriculture, shall be applied to the Property or crops growing thereon. Any and such materials and substances shall be applied in strict compliance with and only at the times set forth in the instructions contained on the label or furnished by the manufacturer thereof. No experimental poisons, herbicides, pesticides, fertilizers or other foreign chemical or substance shall be applied to the Property or the crops growing thereon without the prior written consent of Lessor. All poisons, herbicides, pesticides, fertilizers or other foreign

chemicals or substances which Lessee may apply to the Property or crops growing thereon shall be used and applied at Lessee's sole cost, risk and liability, and Lessee does hereby agree to indemnify, hold and save Lessor free and harmless of and from any and all claims, demands, damages or liabilities of whatever kind or nature which in any manner arise out of or result from any use or application of any such substances.

12. **Waiver.** In the event Lessor waives any right herein reserved, or waives the performance of any covenant to be kept and performed by Lessee, express or implied, or any breach hereof by Lessee, said waiver shall not be construed to be a waiver of any subsequent breach of such covenant or any other covenant.

13. **No Representations or Warranties; Lessee's Acceptance of Property.** Lessor makes no representations as to the present condition of the Property, as to the quality, fertility or productivity of the soil, or as to the productivity of the Property. Lessee has inspected the Property, is familiar with the Property, and is satisfied with, and accepts the same in the present condition thereof, on an "AS-IS" basis.

Lessee acknowledges that the Property is adjacent to other real property owned by Lessor and that no fences separate the Property from Lessor's adjacent real property. During certain times of the year, Lessor's cattle graze on the adjacent real property and will graze on the Property unless Lessee, at its expense, constructs fences to keep cattle off the Property. Lessee acknowledges and agrees that such grazing may occur and will not be a breach of this Lease.

It is understood and agreed that this written Lease constitutes the whole and entire agreement between the parties, and that there are no oral agreements, representations or warranties collateral to or affecting this Lease other than herein expressly set forth in writing. Lessee declares that it has not entered into this Lease in reliance on any oral or verbal representations by Lessor, its agents or employees, other than the written agreements herein set forth.

14. **Attorney's Fees.** The prevailing party in any suit or dispute or action arising under this Lease for the enforcement or interpretation hereof shall be entitled, in addition to all costs and damages that might be awarded, further sums for reasonable attorney's fees.

15. **Peaceful Possession.** Lessor agrees that Lessee, upon payment of rent and performance of the covenants and agreements to be paid and performed by Lessee pursuant to this Lease, shall peaceably and quietly have, hold and enjoy the Property, subject to (a) easements, reservations and restrictions of record or apparent upon inspection of the property, (b) the other rights reserved in Section 1 and (c) the terms and conditions of this Section 15.

Lessor may market the Property for sale during the term of this Lease. Lessee agrees to cooperate with Lessor in allowing reasonable access to the Property to potential purchasers. In the event the Property is sold during the term of this Lease, Lessee agrees to

surrender possession in accordance with the provisions of this Section 15. Notwithstanding the term of this Lease, in the event that Lessor gives written notice to Lessee of the sale of the Property or in the event either party provides notice that this Lease shall not be renewed, then Lessor shall have possession of the farm land from which crops are removed as soon as the crops are harvested so that Lessor may convey possession to a buyer and/or prepare the ground for the following year's farming operation.

16. **Holdover.** In the event that Lessee shall hold over the initial term or any renewal, with consent, express or implied of Lessor, such holding over shall be construed as a tenancy at will, and shall be terminable at the will of Lessor upon Lessor's giving notice in writing to Lessee to vacate said Property.

17. **Default.** In the event Lessee does not keep and perform each and every covenant and agreement set forth in this Lease (time being of the essence) or shall abandon the Property, Lessor may give written notice to Lessee specifying the same. If Lessee does not cure within three (3) days of the notice, Lessee shall forfeit to Lessor all rights to further occupancy of the Property or any part thereof. In such event, at its option Lessor may, in addition to such other remedies as it may have at law or equity, without any legal process or warrant, reenter upon the Property and remove all persons and hold the Property without interference on the part of Lessee. Lessee agrees that in such case this Lease shall be terminated and it shall not be entitled to have any rights hereunder; provided, however, that if such forfeiture and taking of possession by Lessor takes place after the planting and prior to the harvest of crops, Lessee shall be entitled to any proceeds received from the sale of said crops harvested during the Lease term in which said termination takes place, after deducting (1) any damages suffered by Lessor because of any failure to perform hereunder by Lessee, (2) any costs (including labor) incurred by Lessor in the cultivation, harvest or other care of said crops, and (3) any unpaid rental for the term during which this Lease is so terminated and for all prior terms. Provided further however, it is understood that in the event of such forfeiture Lessor may, but shall be under no obligation to, care for utilizing Lessee's water rights or harvest any crop planted by Lessee on the Property. Lessor shall not be liable to Lessee for failure for any cause to harvest or properly care for any crop planted by Lessee. In the event of termination of this Lease for any breach by Lessee of any covenant or agreement, Lessee shall not be entitled to any refund of rental paid.

18. **Farm Programs.** Any Lessee participation in government farm programs which shall affect or involve the Property shall be discussed in advance with Lessor. Lessor shall have the final decision regarding participation.

19. **Lessor's Insurance.** If applicable, Lessor shall have the option of insuring at its expense any improvements leased hereunder in amounts which Lessor may decide. In the event of fire or destruction, all proceeds from such insurance shall be payable to Lessor. In the event of such damage or destruction, Lessor may elect to repair or replace the improvements, provided however, this Lease shall not terminate nor shall the rent be abated if Lessor does not repair or replace such damage.

20. **Notices.** All notices to be given to Lessor shall be addressed to:

J. R. Simplot Company
Attn: Corporate Secretary
P.O. Box 27
Boise, ID 83707

All notices to be given to Lessee shall be addressed to:

Declo, ID 83323

Either party may change such address by giving notice in writing to the other party as herein provided.

21. **Assignment.** Lessee shall not assign or otherwise sell or transfer this Lease, or any interest therein, or let or sublet the Property or any part thereof (collectively, an "Assignment") without first obtaining the prior written consent of Lessor. A change in ownership in Lessee of more than thirty-three percent (33%) shall be deemed an Assignment in violation of this section. Upon any Assignment, Lessee shall remain directly liable for all rental payments and other performance due and owing under this Lease. Any Assignment made without Lessor's consent shall be void and without force or effect. Neither this Lease nor any interest of Lessee shall be assignable or transferable in proceedings by or against Lessee in execution, bankruptcy or insolvency, or any other manner by operation of law. Subject to the above limitations, it is agreed that the terms, conditions and provisions of this Lease shall be binding upon the heirs, executors, administrators, successors and assigns of the respective parties.

22. **No Recording.** It is further agreed that this Lease may not be recorded without the written consent of Lessor.

23. **Counterparts.** This Lease may be executed in two or more counterparts, which may be transmitted by telefacsimile or electronic pdf image and shall be effective upon receipt. Each counterpart shall be deemed an original of this Lease, and together shall constitute but one and the same instrument. If the Lease is executed by telefacsimile or electronic pdf counterparts, the parties shall cooperate in executing "hard copy" originals should either party request the execution of such "hard copy" originals.
