

TO JAN SCHURTE
FROM DON BARNHILL

1-30-1996

RECEIVED

JAN 30 1996

WATER RESOURCES
WESTERN REGION

Jan -

It would seem appropriate to me to include this agreement into both the "Steiner" file and the "Gilbert" file.

As you can see we "protected" and defined our easements to the Hatton from Triangle reservoir. This agreement notes all previous existing easements plus some new ones for us plus a definitive utilization of the ditches.

Note Rock Creek drainage becomes the Hatton transport system between Dams ("A" & HATTON), and Steiners cannot encroach on Rock Creek there in any fashion.

The "new" road to be constructed b/t Hatton and "A" dams on the old hance ditch is a major improvement for us also.

As you can see this is a far cry from them trying to "Quiet Title" our rights. Don
