RE: Change in Ownership Right No(s): 65-12282, 65-10783

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Filing Fee of \$100 per water right for changes resulting from division of a water right- Water right 65-12282 will need to be proportionately split as it covers 3 acres of 3 properties. Meserth, LLC was only conveyed 2 of the properties.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees to be processed. The Department will not update the ownership of water right 65-10783 since the place of use for this water right is on property currently owned by Werner A Meserth & Judith D Meserth Living Trust. Because you paid \$50 to have 2 water rights updated and water right 65-10783 will not be updated, an additional \$50 will be needed to split water right 65-12282.

Because the Department cannot process the Notice without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments, and your notice will not be processed.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Jean Hersley
Technical Records Specialist 2
