Subject: RE: Settlement for Pioneer's Drain SRBA Claims

Scott, Nick and Jan:

This e-mail is to follow up our conversation earlier this morning regarding the above-referenced matter. Nampa & Meridian Irrigation District and Pioneer Irrigation District have agreed to the following remark to be included in Pioneer's drain claims:

"This water right shall not alter or abrogate any provision of contract executed by the United States or State law regarding Pioneer Irrigation District's or Nampa & Meridian Irrigation District's rights and responsibilities to use and make available water developed in drains within their boundaries."

The water rights to which Nampa & Meridian has filed objections are as follows: 63-02114, 63-02275, 63-02276, 63-02294, 63-02891, 63-05219, 63-05237, 63-05255, 63-21731, 63-21739, 63-32514 and 63-32515.

For those rights that there is no other objection as to quantity, preparation of a SF5 would be appropriate. For those rights that there remains a quantity objection by Pioneer, I have reviewed the examples provided by Nick and I am agreeable to resolving Nampa & Meridian's objections now via a Stipulation to Resolve Objection.

Gail: I believe BOR has filed Responses in these sub-cases. Could you please weigh in on whether BOR has any objection to the resolution and language proposed in this e-mail?

Thanks, Bryce
