RE: Change in Ownership Water Right No. 15- 7037

Dear Sir:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership on January 24, 2025, for the above-mentioned water right. The Notice could not be processed because sufficient evidence of ownership was not provided.

In order for the department to update ownership of a water right a copy of the 'recorded' Warranty Deed or other legal document indicating your ownership in the water right and/ or property is required. The escrow agreement provided with the application is not sufficient evidence of ownership.

Because the department is returning your application you are entitled to a full refund. The department has initiated the refund, and a check should arrive from the state office in couple of weeks.

Once you have collected sufficient evidence of ownership documentation, you may re-file your Notice.

Please note that Section 42- 248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/ or a change in the address of the water right owner are available from any department office, or at the department' s website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Christina Henman
