Dear Permit Holder(s):

The Department received the proof of beneficial use (proof) form submitted for the above referenced permits. The proof is not acceptable without the correct fee. A copy of the form is enclosed for your reference.

A \$25.00 license examination fee was also submitted with each proof form. The permits authorizes a diversion rate of 0.06 and 0.09 cfs (cubic feet per second) and was stated the same on the forms requiring a license examination fee of \$50.00 for **each** permit. Please resubmit the proofs with the remaining \$25.00 of the required fee for **each** permit.

The Department also received the assignment of application for permit (assignment of application) forms submitted with the proofs. The Department cannot process the assignment of application forms to change the ownership of a permit. Please complete the attached Notice of Change in Water Right Ownership (ownership change) and submit with the required fee.

Please submit the required fees at your earliest convenience before the proof due date of **May 01, 2025** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,
