Andrea,

I sent a copy of the letter/proof reports to Living Waters Ranch at the address listed on the form, 3599 Garden Creek RD, Challis, ID 83226. However, that letter was just returned to our office. Do you know if there is another address or PO box that I should send this too?

Andrea,

Yes I send a physical copy of the proof reports for the new child rights (WR#s 72-17061 through 72-17070) that are in the name of Living Waters Ranch to the 3599 Garden Creek Address.

As the representative you should have received a copy of everything.

Typically we send a copy of the updated water rights to the respective owners. So in this case, a copy of the remaining split versions (Water right numbers 72-106C, 72-106H, 72-106J, 72-109J, etc. that were listed on the form) were sent to the owner maintained on the remaining portion of the water right, i.e. Firstfruits Foundation. I believe there was also a representative maintained on two of the rights. I also sent a copy of the two water rights with the representatives name on it to the representative.

Tyler

I received a copy of your March 26 correspondence to Living Water Ranch Inc with the enclosures. Was a copy of the same mailed directly to the address on the cover letter – Living Waters Ranch Inc, 3599 Garden Creek Road, Challis, ID? I just want to confirm if I need to send a copy to my client.

Thank you,

Andrea,
A cover letter and check will be good enough. I can mark the changes on the form that has already been submitted.

Tyler,

We are going to move forward with the water rights split as you summarized below. I am forwarding the check for \$725 to you. Do I need to send any revised forms, or will a cover letter with the check suffice?
