Re: Fee Evaluation

Filing fees charged for transfer application #89081 were based on the percentage of acres from each of the sixteen water rights in the transfer that could be utilized within the proposed 51 acres that are being rearranged in the transfer application. Analysis of each water right indicates a total of 3.56 cfs could be moved to the new ground. The current transfer fee schedule for 3.56 cfs is \$740.00. Applicant's representative paid \$2140.00 (Receipt #S040238). A request for a refund of \$1400.00 to the payer has been sent to IDWR payables.
