Good Afternoon,

Brockway Engineering made a mistake and was not suppose to submit the change of address. We were informed it was not communicated within their office. All invoices, payments and mailings are done through the Corporate office at the PO Box 7250, Newport Beach, CA 92660 for Diane & Harry Rinker and Harry S Rinker.

Let me know if you have further questions or if this answers your question.

Best Regards,

Diane J. Rinker

Subject: Address change information for Harry & Diane Rinker

Harry S Rinker Trust:

37-22600, 37-22602, 37-22604

Good afternoon,

I am reaching out to see if perhaps you can help me clarify some information we received regarding the mailing addresses for the Rinker's. In December, the Department received a Change in Address form submitted by Brockway Engineering. This form was requesting to update the address for *Harry S Rinker Trust* from PO Box 7250, Newport Beach CA to 1048 Irvine Ave PMB 1090, Newport Beach CA. Our records were updated accordingly at that time.

We later received a Change in Address form requesting to update the address for *Diane J Rinker & Harry S Rinker* (as individuals, not Harry S Rinker Trust). There was a notation on the form saying the address needed to be changed back to the PO Box.

I have attached both forms for your reference. Before I make any further changes to the water right records, I would like to clarify which address is correct. And whether the mailing address for Diane & Harry Rinker should be the same as Harry S Rinker Trust?

I tried to reach out via the phone # on the form received March 31, but was not able to reach anyone. Please feel free to call me and discuss this at your convenience.

I appreciate your help with this.

Sincerely,

Denise Maline, IDWR Twin Falls, ID
