Re: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right No. 02-07052
Change of Ownership

Dear Mr. Freeberg:

We recently received and processed a *Notice of Change in Water Right Ownership* for the claim referenced above. Based on our analysis of the Warranty Deed submitted, we assumed that a portion of the claim had not been conveyed to you. A new claim number represented that portion: 57-10222.

I spoke today with Craig Baker, farm manager for Mr. Nahas. He informed me the land not described on the Warranty Deed actually belonged to the U.S. Bureau of Land Management and is farmed under an existing agricultural lease. He confirmed the entire claim 02-07052 was conveyed to you, along with the land described on the deed.

Please find enclosed a copy of claim 02-07052, for the irrigation of 286 acres. As you can see, Donald A. Freeberg now holds the entire claim. Please disregard our previous correspondence concerning claim 02-10223, which represented only a portion of 02-07052 (that portion on land described in the deed).

Please call me with any questions. I can be reached at (208) 327-7925.

Sincerely,

Roxanne Brown
