July 22, 2024

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources (IDWR).

DISCUSSION

Pursuant to the *Order Granting Motion to File Amended Claim and Setting Deadlines* issued by Special Master Bilyeu on June 20, 2024, the Director submits for filing with the Court an Amended Director's Report for the aforementioned subcase (see attached print-out). Following a field exam conducted by IDWR on Wednesday, July 17, 2024, it was determined and is now recommended that the source listed for Water Right Subcase No. 87-10601 be changed to "groundwater" from "spring" as reflected in the original Director's Report filed on August 2, 2021. In addition, applicable conditions have been updated in the attached Amended Director's Report.

Respectfully submitted this 22nd day of July, 2024.

CRAIG L. SAXTON
Manager, Adjudication Section
