Hi Evan,

Can you send me electronic copies (pdf, email, word, etc) of all the notices and letters that IDWR mailed to us, including 11/29/23 Evidence of Priority, 5/9/24 97-9810 Disallowed, 8/7/24 Preliminary Directors report with 8/7/24 Recommendations, 10/18/24 NOER, 12/12/24 Water Right Report including 12/16/24 Recommendations, etc.?

Having electronic copies of these documents will help us to more efficiently prepare our objections and consolidate them into an electronic file.

Thanks,
John Hawley

John,

A claim can be amended and split apart into separate claims, but those separate claims represent new claims in addition to the one originally filed. You do not need to resubmit the claims, as we will disregard the word "amended" written on the top since they are new claims.

Yes, the required filing fee for each claim as filed is \$25.00, for a total of \$75.00. Please make the check out to Idaho Department of Water Resources, or IDWR for short.

Thank you.
