RE: Pillsbury Co. Water Right Claims

Dear Mr. Hopkins:

The Idaho Department of Water Resources (IDWR) is returning your check #10340 (\$686.00) and The Pillsbury Company's Notices of Claim to Water Rights because of insufficient information and fees. All items on the claim form must be correctly completed and fees submitted before the IDWR can process the notices.

Please correct the items identified below and return the forms to the IDWR within 30 days of the date of this letter. Failure to return the corrected notices within the 30-day period may result in an assessment of an additional late-fee.

Domestic Notice of Claim

- Item #2: The day and month water was first used for the house must be entered. If you do not know the precise date, you must estimate the day and month, or apply the last day of the year, i.e. December 31, 1946.
- Items #6 and #7: The amount claimed for the household must be entered. The amount guideline for one house with up to 1/2-acre of lawn and garden irrigation is 0.04 cfs.

Commercial/Irrigation Notices of Claim

- Item #10: The place of use for commercial purposes should be denoted by using a "C" in the appropriate 1/4 of 1/4 section-boxes. If you are also claiming irrigation purposes separately, you must enter the number of irrigated acres within each of the claimed 1/4 of 1/4 section-boxes (40-acre tracts).

MICROFILMED

NOV 13 1992

Note: On the notices for Water Right Licenses 27-7411 and G-27323/27-2116, it appears the water used in the processing plant is also being claimed for irrigation use. However, the licenses do not reflect the use of water for irrigation. If the practice is to discharge plant effluent through a sprinkler system, application of the water to the land would be considered an incidental use to the commercial use. This incidental use could be described in "Remarks" (Item #14), instead of being claimed as a separate purpose in Item #6, with the 1/4 of 1/4 section-boxes where the water is applied marked with a "C" in Item #10.

If you claim the irrigation as a separate purpose, rather than an incidental use, the irrigation on each claim must coincide with acres irrigated during the claimed priority date. For example, only 20 acres of irrigation are listed for the priority date of 7/1/1957 on Claim to a Water Right 27-4019. Please refer to the enclosed copies of the Water Right Claim and Licenses.

Insufficient Fee

The filing fee for each Notice of Claim for commercial and/or irrigation purposes is \$50.00, plus \$100.00 per cfs claimed for commercial purposes, plus \$1.00 per each irrigated acre listed in Item #10 (The acreage fee only must be paid once, i.e. \$511.00). There is no fee for the irrigated acreage if it is listed as an incidental use. The filing fee for the Domestic Notice of Claim is \$25.00. The total filing fee for all four claims, as previously submitted, is \$1,191.00.

If you have any questions, please call Tony Olenichak, Water Rights Agent, at (208)-525-7161.

Sincerely,

Tony Olenichak

Re: The Pillsbury Company, Inc.

Dear Mr. Carlsen:

You will find that we are returning to the Department four Notices of Claim to a Water Right which have now been modified based on your letter to us dated September 6, 1989.

The principal change relates to a characterization of the proposed use of the waters claimed. As you will see, our client has determined to claim an incidental use only for irrigation while the principal use relates to the commercial operations of The Pillsbury Company other than the one claimed for domestic use.

Also, based on your letter to us the filing fees have been recalculated with \$25.00 representing the fee for the domestic notice, \$50.00 each for the three commercial claims, plus \$705.00 for the commercial claims at \$100.00 per cfs. The total is therefore \$880.00.

Should you have any questions concerning the conditions of this letter or the enclosed claims please let us hear from you. If not, we shall simply look forward to return of the client's copies of the enclosed documents indicating the same have been filed.

Thank you for your cooperation in this matter.

Very truly yours,

C. Timothy Hopkins
