RE: Notice of Change in Water Right Ownership for Water Right Number(s): 22-7813

Dear Claimant:

On May 12, 2025, the department received a Change in Address, the department has updated the address for Steven and Shelley Wright. However, it appears that Steven and Shelley Wright are not the owners of the entire place of use of the water right. One of the parcels is owned by William S Wright according to the Teton County parcel information. The department is sending a Notice of Change in Water Right Ownership to both the property owner and the current water right owner. This water right is for domestic so there are a couple of options for filing the ownership change, the department can split the water right proportionately (or as specifically identified in a deed) between the two parcels and the ownership change filing fee be \$100.00 or we can add William S Wright as an owner and not split the water right resulting a filing fee of \$25.00.

It has come to our attention that you may have recently purchased a tract of land in Teton County. The property to which I am referring was most recently owned by Steven and Shelley Wright. The legal description includes but is not limited to land within the following:

Township 5 North Range 46 East Section 32

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to our office along with the proper fees, a "copy" of your Warranty Deed and legal description of the property you have purchased.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions regarding this matter, please call 525-7161.

Respectfully submitted,

Jonie Baily
Technical Records Specialist
