NOTICE TO RESUME WATER USE

Re: Water Right No. 02-2156,02-2245A,02-10562,2-7112A,2-7055

Dear Applicant:

On March 2019 the Idaho Department of Water Resources (Department) approved Application for Extension of Time to Avoid Forfeiture for the above referenced water right. One condition of the approval was that diversion and use of this water must resume on or before December 31, 2023. The Department was originally scheduled in 2023 to communicate the resumption of use; however, we are now formally notifying permit holders that they resume use within 60 days from the date of this letter, specifically by July 9, 2025. Failure to resume use of the water and to notify the Department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

Idaho Code § 42-222(4)(d) requires the Department to send this notice, by certified mail, sixty days prior to the date water use must resume. Enclosed is the Resumption of Use form for your use to notify the Department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4920.

Sincerely,

Catalina Beck

Water Resource Agent
