To Whom It May Concern:

On behalf of the Blaine County Board of County Commissioners, I write this letter to inform the Idaho Department of Water Resources that Blaine County hereby WITHDRAWS its protest of Application Number 87575.

Blaine County and the Applicant have agreed to an access agreement whereby the County and/or its partners will perform water sampling activities to assess water quality in the areas affected by this application. Understanding that the Department does not address water quality in its permitting process, the County is not requesting a condition to be attached to the permit requested by this application.

Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read "Timothy K. Graves".
