Mr. Bowers,

On December 20, 2024 I signed an order to reinstate permit 63-34549 and on the same day mailed the order and an application for amendment to the permit holder. The letter was returned. Attached is a copy of the letter, order, and application for amendment. The amendment is necessary to add the point of diversion for the second pond which was reported and recommended by the certified examiner.

Please look over the amendment and if agreed sign and submit it to IDWR. There is a \$100.00 filing fee for the amendment which is required in accordance with 42-221(C) Idaho Code. You can fill the form by mail or in person at any IDWR office. The following two offices are recommended:

State Office
IDAHO WATER CENTER (5th floor)
322 E FRONT ST STE 648
BOISE ID 83702-7371

Western Regional Office
2735 W AIRPORT WAY
BOISE ID 83705-5082

Please let me know if you have any questions.
