Re: Correction of Notice of Change in Water Right Ownership for Water Right No(s):
47-10291 (filed May 3, 2021)

Dear Mr. Mason:

Our office processed a Notice of Change in Water Right Ownership (Notice) from Rodney and Jamie Runyan to you, which was submitted and processed in May of 2021. The notice included 2 water rights (47-10291 and 47-10292); however it was recently discovered that ownership on water right 47-10291 was changed in error. The Warranty Deed submitted in 2021 specifically *excepts and omits* the parcel of land associated with this water right, indicating that it was not conveyed to you. We have changed the ownership back to Rodney and Jamie Runyan in our database to correct the mistake. An updated Water Right Report is enclosed for your reference.

The department has also received additional Notices involving the 2 water rights referenced above. Those Notices are in the process of being reviewed and processed accordingly.

If you have any questions, please feel free to contact our office at (208) 736-3033.

Sincerely,

Denise Maline
Administrative Assistant
