Hi Craig.

Thank you for the email. It is always good to check. However, last year when we were completed the Requests for Extension for 97-2020 and 96-2118, the Governor and the OAG elected not to pursue the Pend Oreille River claim (97-2056) and did not seek an extension for that claim. Please let me know if you need any additional information.

Thanks.

David

Hey David,

I was reviewing the *Requests for Extension of Time to File Adjudication Claims* in the CFPRBA and discovered that the extension request for **97-2056 has expired** (Attached):
Here is a summary of the extensions I have for the Governor's Office:

Claimant	Claim #	Source	Active Extension?
Governor	97-2020	Priest Lake	7/15/2024
Governor	97-2056	Pend Oreille	Expired 7/1/2023
Governor	96-2118	Lake Pend Oreille	7/15/2024

To make sure we are all on the up and up, do you suppose you could submit a new one for 97-2056? I attached a blank extension request form.

Let me know if you have any questions or want to talk it through.

I hope all is well.
Thanks,
