Christian,

Sorry for getting back to you so late. I have been a little busy with the 3 districts.

In regards to George Chandler's transfer 89628 I do believe it would not cause any injury to any other water users where he is the last one on the ditch. If you need me to type up anything else please let me know.

Again I apologize for getting back so late. Have a great day!

Thank you,

Kristin Evans
