Re: Change in Ownership for Water Right No(s): 36-13218

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

In addition, per our phone conversation on May 20, 2025, a refund in the amount of \$653.83 has been submitted for processing and will be sent to you under separate cover. The department received a check in the amount of \$678.83, and the appropriate filing fee for this Notice is \$25.00.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline

Subject: Water Right paperwork for Joshnik LLLP (Water Right No. 36-13218)

Good morning,

The Department of Water Resources has received the Notice of Change in Water Right Ownership for Water Right No. 36-13218. Upon initial review, it was noted that the appropriate filing fees for the Change in Ownership paperwork were not enclosed. The enclosed check was made out to *Water District 130*, which would be associated with the Water District 130 annual assessment fee. It is my understanding that the watermaster, Corey King, is waiving that assessment fee this year.

Because the check is made out to *Water District 130*, we are not able to apply those fees to the Change in Ownership paperwork. We can send the check back to you, or shred and destroy the check accordingly – whatever works best for you.

Please submit a \$25.00 check made out to '*IDWR*' at your earliest convenience. We appreciate your attention to this matter.

Please feel free to contact our office with any questions.

Sincerely,

Denise Maline, IDWR Twin Falls
