RE: Change in Ownership Water Right No. 34-10738, 34-14965

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Please supply a copy of the “recorded” Warranty Deed. The department does acknowledge receipt of a Warranty Deed with your application; however, it is not recorded. Please provide the recorded copy.

**** **Filing Fee:** In order for the department to update the ownership of a water right a filing fee is required. The filing fee for a non-split ownership change is \$25.00 per water right. The filing fee for an ownership change resulting in a division (split) of the water right is \$100.00 per water right. Please provide the proper filing fee. According to our research the filing fee will be \$50.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department’s website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
