Sorry it has taken so long to get back to you and I'm sorry to be sending this via email instead of my usual snail mail paper copy. My printer went on the blink and I haven't been to town to replace it.

You asked for minutes from our meeting last January. Actually other than who attended and date and time, our meeting minutes haven't changed in 11 years. Doug Hipwell is still chairman, I'm still Secretary/Treasurer, and Chad is still water master. Our budget also remains the same. We met January 3 at 1:35 pm at the county P&Z office. The 3 of us were the only attendees. The other 2 water users didn't even bother to show up. Shows you the level of controversy we have here on Sinker Creek.

If you have any questions please contact me. Email or text is usually the best way because I am usual out of service.

Paul Nettleton
