POU Total Acres: 91.0

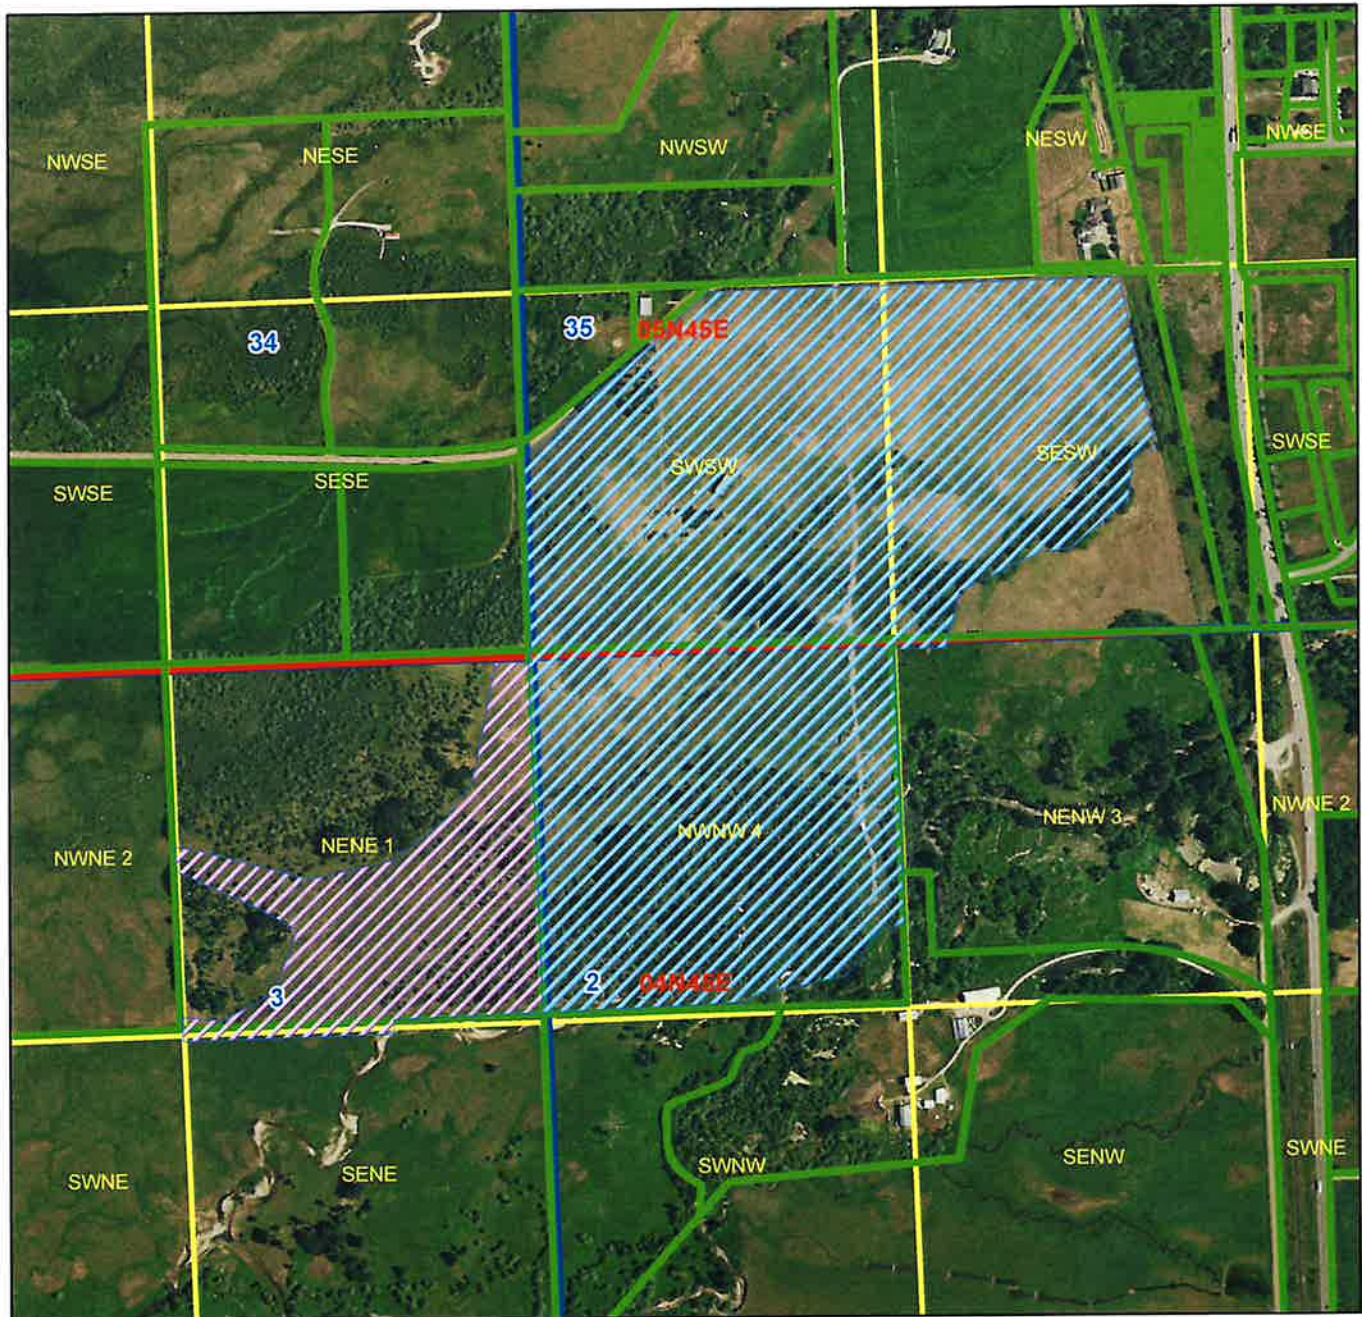

Conditions of Approval:

1. C18 This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.
2. T07 The right holder shall accomplish the change authorized by approved transfer 73946 by 8-27-09.
3. T08 Failure of the right holder to comply with the conditions of approved transfer 73946 is cause for the Director to rescind approval of the transfer 73946.
4. R63 This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 3.5 afa per acre at the field headgate for irrigation of the lands above.
5. R05 Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 01.
6. R43 The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
7. 020 The diversion and use of water described in transfer 73946 may be subject to additional limitations agreed to by the protestant(s) and the right holder under separate agreement to which the Department is not a party and which may be enforceable by a court of law.
8. The 9 ponds established by the storage of water under this right shall not exceed a total capacity of 15.1 acre feet or a total surface area of 2.6 acres.
9. This right authorizes the diversion of an annual total of 21.28 af to be used for a portion of the initial filling of the 9 ponds and for the replacement of losses caused by seepage and evaporation from the ponds.
10. The approved transfer 73946 redefines all of the elements of this water right, and the new use of water authorized by approved transfer 73946 shall constitute the full extent of the right.

Comments:

6 jbailey 5/28/2025 Ownership Change
Water right 22-164 was split into 22-164 and 22-14663.
