Re: Change in Water Right Ownership: 55-7049 (Split into 55-7049 and **55-14059**), **55-2000**, **55-2017**, **55-2023**, **55-4059** & **55-2433**

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of a portion of the above referenced water right(s) to you. The Department has modified its records based on the information received and has enclosed a computer-generated report for you.

Your portion of each water right(s) has a specified point of diversion, nature of use and place of use. If you plan to change the authorized point of diversion, nature of use, or place of use, including adding a new point of diversion, you must file an Application for Transfer of Water Right. If you do not plan to change any elements of your water right, then no further action is required at this time.

The portion of the water right retained by the original right holder retains the original water right number. The Department is sending the original right holder a copy of this letter and a computer-generated report showing the changes to the original water right.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208)287-4921.

Sincerely,

Debra Mansfield

RE: Change in Ownership for Water Right No(s): 55-7049 & 55-12172

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Filing Fee for changes resulting from division of water right 55-7049 - **\$50**

During our review of your submitted Notice and documentation we found that water right 55-7049 will need to be split to proceed with your ownership change. The Stockwater portion of Water right 55-7049 is also an appurtenance of the NWSE1/4 in Section 36, T08S R06W and of the NENW1/4 in Section 2, T09S R06W. Both of these quarter-quarters are owned by BLM and will need to be split from the right to update ownership.

We also found that water right 55-12172 is not an appurtenance to your property. Water right 55-12172 is an appurtenance of the SWSW1/4 in Section 31, T08S R05W. This quarter-quarter is owned by BLM. Because we cannot process the change in ownership for water right 55-12172 we will apply the \$25 filing fee towards your split fee amount due.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be **\$50**.

Because the Department cannot process the Notice for the above mentioned rights without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days your notice will not be processed for these rights.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208)287-4921.

Sincerely,

Debra Mansfield
