Re: Change in Ownership for Water Right No(s): **63-2429**

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Regarding water right 63-8645: Water right 63-8645 will need to be split to change ownership. On August 22, 2024 the Department requested the required remaining processing fee of \$75. As of the date of this letter we have not received the necessary fees. A refund of \$25 has been requested and will be mailed to T-O ENGINEERS INC under separate cover from the Idaho State Controller's Office. You may re-submit a new Notice for this right, with the appropriate documents and fees.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208)287-4800.

Sincerely,

Debra Mansfield
