Re: Review & Analysis of Application to Lease Water to the State Water Supply Bank

PURPOSE/NARRATIVE: Renewal lease application for right 37-246H was received on January 13, 2025 proposing another five years lease of 3.9 acres beginning 2025 through 2029. Right 37-276H is in the Big Wood River Management Area, Gelena District, and in the Trust Water Area.

AUTHORITY TO FILE: The lease application for At Last Ranch Trust is signed by John McIntosh Partridge. County parcel data shows the land under the water right for lease is in the name of John McIntosh Partridge. No concerns with authority.

WATER RIGHT VALIDITY: The water right 37-276H was decreed in 2010 and the portion of the right proposed for lease in 2025 has been in the bank over multiple consecutive terms since 2015. Previous lease contract 1100 for the same portion was approved for 2020-2024. No concerns with validity of the water right and the portion offered to the bank In accordance with Section 42-1764(2), Idaho Code.

INJURY TO OTHER WATER RIGHTS: There are no apparent injury through the portion of this lease.

ENLARGEMENT OF USE: There is an overlap with right 37-12127 at the place of use; however, water right 37-12127 authorizes a different use and there is no combined limit for these rights. No concerns with enlargement.

LOCAL PUBLIC INTEREST: This application is consistent with the local public interest.

BENEFICIAL USE/CONSERVATION OF WATER RESOURCES: The lease appears consistent with the conservation of water resources in Idaho.

DEPARTMENT STAFF OR WATERMASTER COMMENTS: The water right is within southern region and within Water District 37. Comments were requested on February 13, 2025. The watermaster and southern region did not respond with concerns about the application.

Multiple Water Right Holders Party to the Lease Application

For the water right offered for sale or lease, list all owners (individuals or business entities) of the right or the property to which it is appurtenant. All water right holders must sign a Water Supply Bank Lease Application. However, only the Designated Lessor or Applicant needs to provide a completed IRS Form W-9 (Attachment 1B). **All correspondence and any financial payment associated with the rental of this water right will be directed to the Designated Lessor.** If additional space is needed to list any other water right holders, attach a second copy of Attachment 1A.

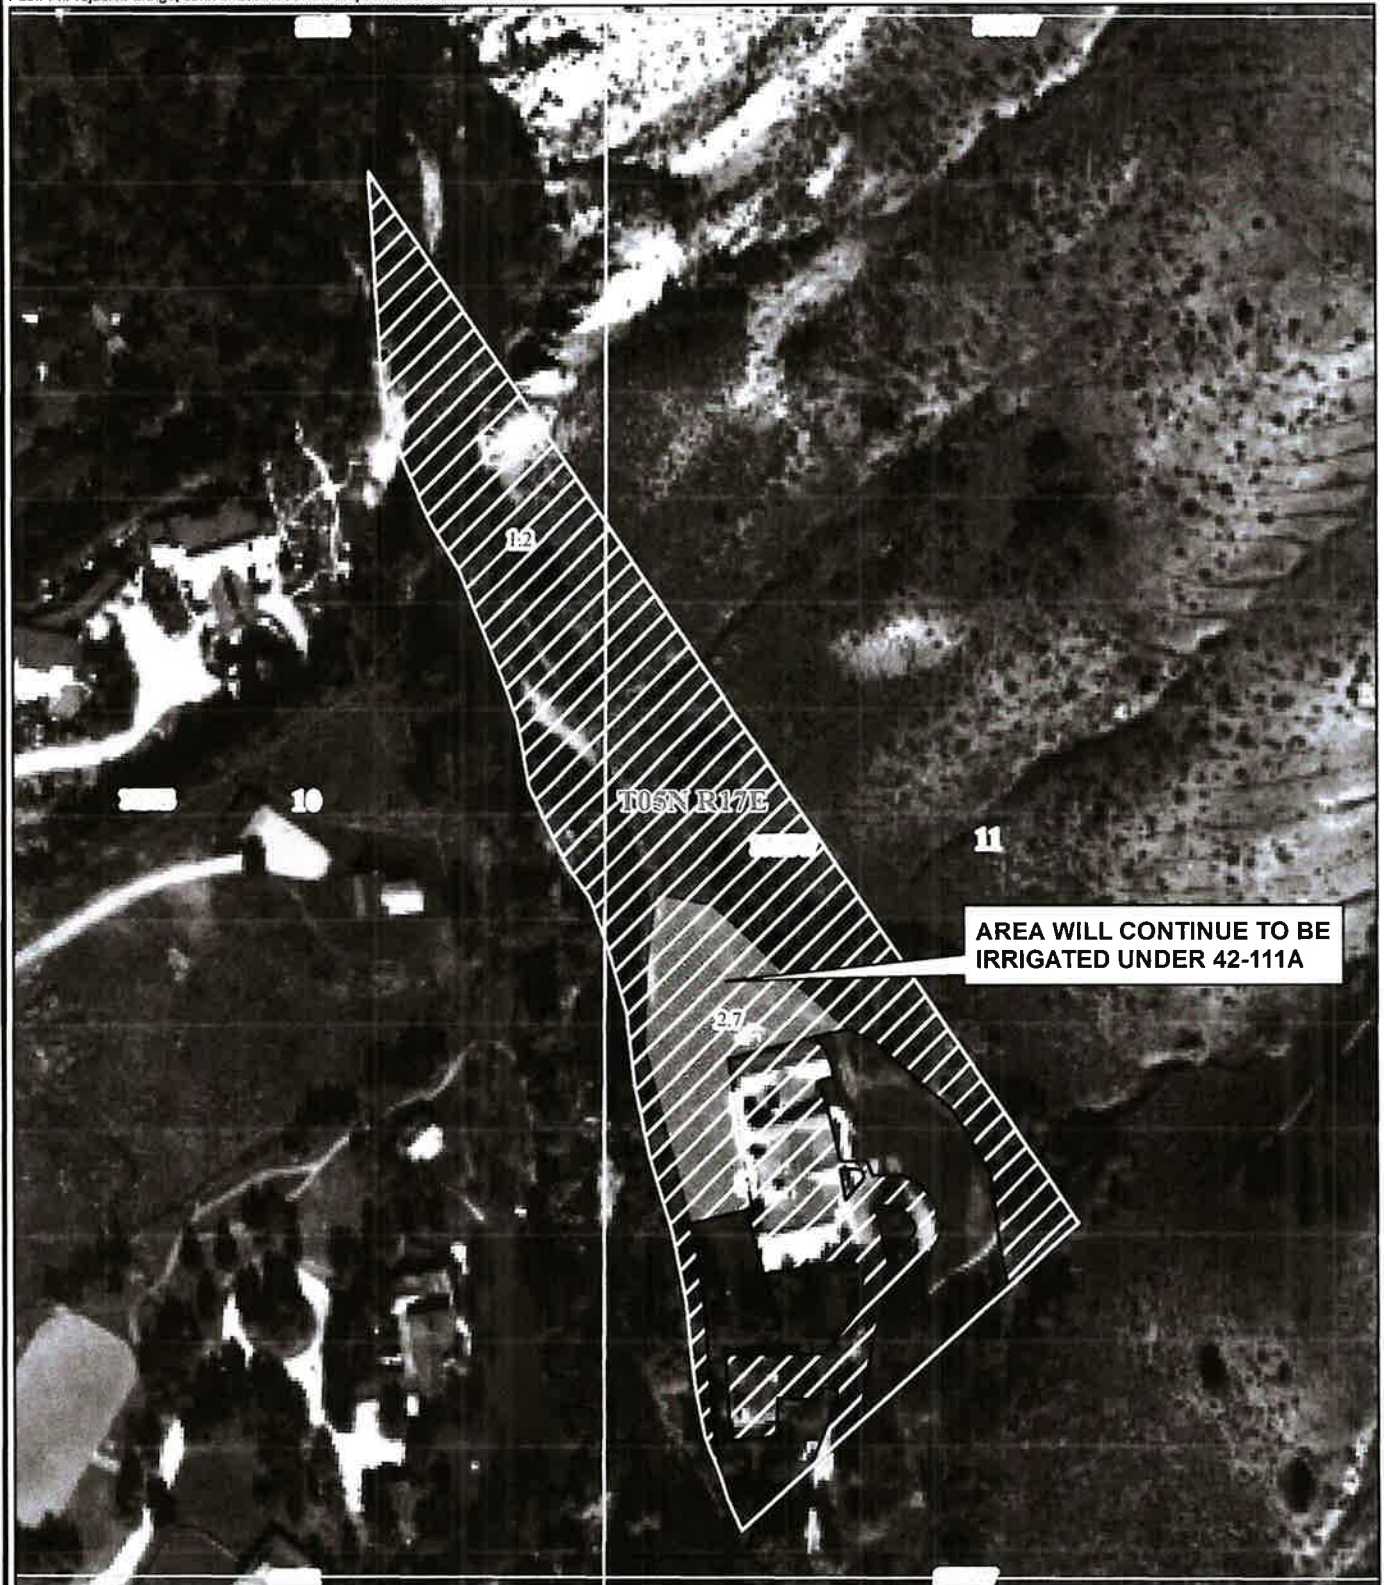

If submitting multiple applications, it is only necessary to complete one Attachment 1A for the group of applications. List each water right below.
