RE: Change in Ownership Water Right No. 22-385A

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee:** Please review the proof reports and maps attached. It appears your property is appurtenant to a portion of water rights 22-384A, 22-385A and all of 22-10030. The ownership change received by the department only lists 22-385A, as a non-split ownership change. Because your property is appurtenant to a portion of both 22-384A and 34-385A and water right 22-10030 an additional filing fee is required. The fee for a split ownership change is \$100.00 per water right, the fee for a non-split ownership change is \$25.00 per water right. There for the additional fee would be \$200.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist
