7. Failure of the right holder to comply with the conditions of acceptance is cause for the Director to rescind acceptance of the lease.
8. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in any other Department application process.
9. In accordance with Idaho Code § 42-248 and § 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.
10. If a water right leased into the Water Supply Bank is sold or conveyed during the lease term, and if the leased right was rented, the rental proceeds will be disbursed in the following manner regardless of any arrangements between the buyer(s) and seller(s) to the contrary:
 - a. Rental payments will go to the lessor(s) of record at the beginning of the rental season, even if the Department processes a Notice of Change in Water Right Ownership during the rental season.
 - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
12. The use of water for irrigation under this right may begin as early as April 15 and may continue to as late as October 31, provided other elements of the right are not exceeded. The use of water before May 1 and after October 1 under this remark is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than the date a partial decree is entered for this right.

Subject: Lease Contract 1766- The Village Condominium Assn Inc-Mailed for signature

Good Morning Chris,

I have attached the contract, map, and cover letter mailed to The Village Condominium Association Inc today for signature and return to IDWR.

Please note that 2 contracts were mailed, which need to be signed and returned to IDWR. If you wish to submit these electronically, you can email 2 printed and signed copies of the contract to file@idwr.idaho.gov and please, CC the bank and me on the email. This will expedite the processing time.

Thank you for your time, patience, and assistance in this matter. Happy Holidays!

Best Regards,
