7. Failure of the right holder to comply with the conditions of acceptance is cause for the Director to rescind acceptance of the lease.
8. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use.  - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.

Memorandum

To: Lease Applications 2849
From: Ashley Ritter
Date: March 05, 2024
Re: Water Supply Bank Lease Proposal

Purpose/Narrative: The Bank received from Joan Wagner, trustee of the Wagner Living Trust (Trust), on December 08, 2024, an application to fully lease water right 95-16372 to the Bank through 2028. Water right 95-16372, a split from parent water right 95-7949, was decreed in the Coeur d'Alene Spokane River Basin Adjudication (CSRBA) on November 8, 2019.

As previous memos stated, when water right 95-7949 was originally licensed in 1993, it authorized a diversion rate of 3.0 cfs and a diversion volume of 450.0-acre feet, from ground water, for the irrigation of 150.0 acres of the southwest quarter of Section 6, Township 51 North, Range 04 West (near Rathdrum). Specifically, water right 95-7949 authorized irrigation of 40 acres in the SWSW quarter-quarter. In the time since 95-7949 was licensed, approximately 100.0 of the 150.0 irrigable acres were redeveloped as the Radiant Lake residential subdivision. The Wager Living Trust acquired eight of the 40 acres of the place of use (POU) for 95-7949 in the SWSW QQ, which resulted in the proportionate creation of water right 95-16372. Per Kootenai County Assessor Office records, the eight acres owned by the Trust (associated with 95-16372) do not appear to be part of the Radiant Lake residential subdivision.

Authority to File: The application was submitted on behalf of the Wagner Living Trust by Joan Wagner. The Wagner Living Trust is the recognized right holder for 95-16372, per the CSRBA decree. The land upon which 95-16372 is located is owned by the Wagner Living Trust. No concerns about authority to file.

Water Right Validity/Forfeiture Evaluation: The water right was decreed on November 8, 2019. No concerns about water right validity.

Injury Evaluation: No injury is evident through this lease alone. Proper rental review should be performed to fully assess any injury concerns.

Enlargement of Use: No concerns about enlargement through this lease.

Local Public Interest Comments will be requested from IDWR's Northern Region office.

Beneficial Use/Conservation of Water Resources: Irrigation is a beneficial use.

Department/Watermaster Comments: This area is not subject to a watermaster, IDWR Northern Region comments were requested on 3/5/2024 with 7 days to respond (comments due 3/12/2024)..
