Dear Jose,

Yes, we do need to include the point of injection and amend the claim. Accordingly, we have prepared and attached an Amended Notice of Claim. The additional POD has been added and map revised. Please let us know if you have any questions.

Thank you for your assistance.

Sincerely,

Tessa Sparrow

Subject: Claim 11-2106 inquiry

Hello,

Claim 11-2106 has a single Point of Diversion (POD). The license this claim is based on has two PODs, one is for injection and one is for rediversion. The injection POD is a condition for this license. Is the injection POD still being diverted? If so, an amended claim will need to be submitted including the additional POD.

Thank you,

Jose Pacheco
