Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Please also find enclosed your provided, original Death Certificate. The Department has made a copy to keep on record for this process but we are returning the original document to you.

I have also included a Department Report for water right 37-13316, per your request. This is the Domestic Water right that is an appurtenance of Parcel PIN RP01N13E321500, which is owned by the Funkhouser Trust and its Trustees.

~

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at 208-287-4921.

Sincerely,

Debra Mansfield

RE: Change in Ownership for Water Right No(s): 37-35B, 37-454B, 37-463D, 37-728B, 37-2139B, 37-13261B, 37-13267B, 37-13268B, 37-13269B and **37-13316**

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice and supporting documentation indicates that additional information is required before the Department can process the change.

The Department requires a complete, authenticated copy of Barbara Jean Cristobal's Certificate of Death to process the ownership change. The submitted copy is incomplete, so we need the full document with all authenticity marks. You may redact sensitive information, but the document must remain complete. A copy of the previously received certificate is enclosed for reference.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Regarding Water Right 37-13316:

During our review the Department found that Water Right 37-13316 is an appurtenance of Parcel PIN RP01N13E321500 with a Beneficial Use of Domestic Use. This Parcel is currently owned by Funkhouser Family Trust and its Trustees. Because this water right is not an appurtenance of your property the Department has issued a refund of \$25 to ESTATE OF JOHN L CRISTOBAL, under separate cover from the Idaho State Controller's Office.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208)287-4921.

Sincerely,

Debra Mansfield
