RE: CHANGE IN OWNERSHIP FOR: 22-426a, 22-427a, 22-13122, 22-13873, 22-13875

Dear Claimant:

On June 16, 2025, the department received a Change in Address for the above listed water right, the address change was updated however it does appear a Notice of Change in Water right Ownership, may be required. The current owner of the water rights is Cherry Grove LLC, which has been inactive since 2022, and maybe the water rights should be in the name of Cherry Grove Homeowners Association.

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to our office along with the proper fees, a "copy" of your Warranty Deed and legal description of the property you have purchased.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions regarding this matter, please call 525-7161.

Respectfully submitted,
