Lexie,

There is a transfer approval pending for Powder Day Development, who is buying the last 2 acres from your farm we've been selling water from over the last few years. Since we didn't have your signature on the sales contract, and you are a listed owner of the water right, IDWR would like your written consent. You can "Reply All" to this email and Blake Jordan at IDWR will see your response.

Please ask if you need some clarification or if you have questions.

Thank you,

Kristin Moore

Re: Water Right Transfer 22-7681 for Peaked Mountain Subdivision (Powder Day Development)

Ms. Moore,

The City of Driggs authorizes the transfer of water right 22-7681 into the City municipal system in the amount of 0.03 cfs (3.2fas). Authorization of the water right transfer, change of use, and amount does not grant access to the city water system or provide any development entitlements to the water right owners or developers.

The water right owner's/developer must enter into a development agreement with the City before accessing the city water system.

Sincerely,

Mayor August Christensen
