Re: Change in Ownership for Water Right No(s): 47-17772 (Split from 47-8278)

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

It was recently brought to our attention that water right 47-8278 was incorrectly updated with the notice of change in water right ownership from Moon Valley Development Ranches, LLC to OksTin Rea, LLC an Idaho Limited Liability Company, submitted on September 3, 2024. The Department has corrected the ownership of the above mentioned water rights and a copy of the corrected proof report for 47-17772 is included with this letter for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9912.

Sincerely,

Tyler Wallace
Engineer Associate
