RE: Change in Ownership No(s): 84-10335 & 84-10336

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice). However, the form was submitted incomplete and was submitted without the proper deed. Because the Department cannot fill in the information required on the form, we are returning your Notice to you at this time for correction. Please fill out the highlighted portions and return the Notice to our office.

The Notice was also submitted with the deed for Melvin & Nadene Jones. In order to proceed with the ownership change, the Department will need a copy (with the notary stamp and signature) of the deed connecting you to the property.

Because the Department cannot process the Notice without the proper information and documentation, we will hold any action pending receipt of the completed form and correct deed. If we do not receive both the corrected form and the necessary deed within 30 days of the date of this letter, we will return your Notice and all attachments and your Notice will not be processed.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at 208-762-2800.

Sincerely,

Natalie Steading
