SUBJECT: Bear River Basin Adjudication Claim 11-7768 Field Exam

Dear Claimant,

The Idaho Department of Water Resources (IDWR) is reviewing claims filed in the Bear River Basin Adjudication (BRBA). After beginning the review of your claim 11-7768, it is difficult to determine by satellite imagery the exact acreage of land historically irrigated.

IDWR does not have any historical records of a field examination for this water right or land. It is determined that a field exam is needed in order to accurately confirm the irrigated acres claimed in the BRBA. I left you a voicemail on 6/23/2025 briefly describing this scenario and requesting a time that I can complete a field exam.

The claim evaluation will not be completed until a field exam has been conducted. If an exam is not completed, the claim may be recommended as disallowed.

Please contact me to set up a field exam date or if you have any questions regarding this letter. My telephone number is (208) 701-7201 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Supervisor
