Dear Parties:

On February 26, 2025, I issued a *Notice of Hearing and Scheduling Order*, setting this contested case for hearing on July 22-24, 2025. Although there has been some discussion through email about the possibility of moving the hearing date to later in the year, I have not received a motion or stipulation to change the hearing date. As of today, the hearing is still scheduled for July 22-24.

There was one other item I wanted to call to your attention. The *Scheduling Order* included the following provision: "Expert Reports, if any are prepared, must be served on the other parties and the hearing officer on or before May 23, 2025. Any expert called to testify at hearing must provide either an expert report or a rebuttal expert report setting forth their expert opinion."

I have reviewed my email and the documents submitted to file@idwr.idaho.gov and cannot find any expert reports for this contested case. It appears that none of the parties filed expert reports prior to the May 23, 2025 deadline. In the absence of expert reports, I would not expect any rebuttal expert reports to be filed. Please let me know if I have missed something.

James
