Perfect! I will have Susan get this billed.

Susan,
Please interagency bill Lands ASAP. The coding for Lands is in the email below. This is an NIA claim. I created a recharge item in the intercompany billing.

Thank you,

I believe they can be billed together. I haven't seen anything in any of the emails that I have asking otherwise.

Dawn,

This is great! Do they need to be billed separately, or can we submit one bill?

Thanks,

Sascha Marston

Sascha,

Is this what you need? You can see in the earlier email below the claim numbers and how much the charge is for each one. It should be \$210 total. If you need something different, let me know!!!

Greetings,

I was advised that if you can create an IA in Luma the default coding should be:

Agency: 320

Org Cost: 103000

Appropriation: LAAA

Fund: 48270

Account code: choose the most appropriate

If that is unclear, I would put you in touch with Jamie Baker here in our Coeur d'Alene Fiscal Office:
jbaker@idl.idaho.gov 208.666.8682. Otherwise let me know if there is anything I can do to help this process out.

Thank you and pass along a "Hello!" back to Suzy!!
