8. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. 9. In accordance with Idaho Code § 42-248 and § 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.
10. If a water right leased into the Water Supply Bank is sold or conveyed during the lease term, and if the leased right was rented, the rental proceeds will be disbursed in the following manner regardless of any arrangements between the buyer(s) and seller(s) to the contrary:
 - a. Rental payments will go to the lessor(s) of record at the beginning of the rental season, even if the Department processes a Notice of Change in Water Right Ownership during the rental season.
 - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
11. The water right(s) is leased to the bank **subject to all prior water rights** and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.

Re: Water Supply Bank Lease Applications; Wellsprings Group LLC.

Dear Mary,

On behalf of Wellsprings Group LLC, Brockway Engineering is submitting five Water Supply Bank (WSB) lease applications which propose to lease all of water rights 37-4100, 37-8205, 37-21614 and 37-22128 and a portion of 37-4369 to the Water Supply Bank for 2025. The lease application for 37-4369 proposes to lease the portion of the storage component of the right that has been filled in by sedimentation from the Deer Creek drainage as a result of the Beaver Creek fire. The attached narrative explains in detail the method used to determine the amount of storage lost due to sedimentation by the fire. Wellsprings Group LLC would like to be able to remove the sediment at a later date, necessitating the submittal of the attached WSB lease application. These five applications for lease represent a renewal of previously approved IDWR WSB Lease Contract No's: 1142, 1144, 1147, and 1148.

Also included is a check from Brockway Engineering for \$1,250 to cover the cost of all five lease applications. Please copy our office on all correspondence regarding these WSB lease applications. Thank you for your assistance and if you have questions or comments, please don't hesitate to call.

Regards,

Zach Latham, M.S., Hydrologist
