Hello Matt

As discussed on the phone this afternoon a Statement of Completion of Beneficial Use (Proof) will need to be submitted. I have attached the Proof form and the instructions. If we have not received the Proof form within the 60 days from the date on the lapse notice, a \$250.00 reinstatement fee and a field exam report from a Certified Water Examiner will be required to have the permit reinstated.

When submitting the Proof, a \$100.00 license exam fee is required. The fee is based on the diversion volume of 41.7 AF (Acre-Feet) that is approved of the permit.

The Proof along with the appropriate fee can be dropped off at any of our offices or mailed to our State Office at the below address.
