RE: Change in Ownership for Water Right No(s): 63-8645

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received a \$75 fee from you on November 25, 2024 for the above referenced water right. The fee was in connection with a previously submitted Notice of Change in Water Right Ownership that was received by the Department on October 13, 2023. That Notice of Change in Water Right Ownership had been returned, unprocessed by the Department on September 27, 2024, due to insufficient fees.

This change in ownership request could not be processed because we did not receive a signed Notice or the appropriate fee to split the water right. On November 26, 2024 and April 09, 2025, the Department requested the required signed form and additional fees from you. As of the date of this letter, the Department has not received the required form and additional fees.

The Department is returning your attachments. A refund of \$75 has been requested and will be mailed to G.O. INVESTMENTS IDAHO LLC under separate cover from the Idaho State Controller's Office. You may re-submit your request with the appropriate documents and fees.

If you have any questions regarding this matter, please contact me at 208-287-4921.

Sincerely,

Debra Mansfield

RE: Change in Ownership for Water Right No(s): 63-8645

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice)

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Remaining Filing Fee of \$75.00 for changes resulting from division of a water right

During our review of your Notice and attachments, we found that water right 63-8645 will need to be split to complete the change in ownership to you.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be **\$75.00**.

Because the Department cannot process the Notice without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208)287-4921.

Sincerely,

Debra Mansfield
