RE Change of Ownership for 97-7379 & 97-9467

I received a notice of change in water right ownership for the above water rights, but only one of the numbers were written on the form. Although both proof reports that I mailed with the change request were included with the change of ownership that was mailed to us. I called and spoke with Kristyn Alm, co-trustee and Power of Attorney of the Olmstead Priest Lake Family Trust on the phone today regarding the change of ownership she submitted on behalf of the Olmstead Priest Lake Family Trust. She said she was confused and must have missed putting both numbers on the form and she did want both claim numbers changed into the Trust.
