RECOMMENDATION FORM

RE: Transfer No. 89876

Transfer Applicant's Name: MURDOCK SUBDIVISION WATER USERS
ASSOCIATION
2483 N INKOM RD
INKOM, ID 83245

Watermaster's Recommendation:

- a) ☐ I do not oppose approval of this application.
- b) ☐ I do not oppose approval of this application if it is conditioned as follows:
- c) ☒ I oppose approval of this application for the following reasons:
I oppose approval of this application due to the fact that there is no control works or measuring device per IDWR standards at the Rapid Creek POD. The water user's have been notified frequently that if they want to use their Rapid Creek water right's they will need to put in control works and a measuring device at this POD. I also do believe this would cause injury to downstream water users.
- d) ☐ Additional comments:

Watermaster:

The Idaho Department of Water Resources (IDWR) is seeking written comment and/or recommendations from you regarding the attached water right application. Please review the application, then complete the enclosed recommendation form and return it to this office within 21 days of the date of this letter.

If the application is approved, IDWR will include appropriate standard conditions of approval for a water right located within a water district, such as regulation by the watermaster, lockable controlling works, and/or measuring devices. Any special conditions or other concerns you have related to this application should be specifically addressed in your recommendation.

IDWR can finish reviewing an unprotested application as soon as the protest period has passed. Your prompt response to this request will ensure that your recommendation can be considered. If IDWR has not received your written recommendation within 21 days from the date of this letter, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Please contact this office if you have any questions regarding the application.
