

MEMORANDUM TO FILE

July 31, 2025

Combination of Water Right 13-688

This memo is an attempt to describe the situation of multiple claimants who have combined water right 13-688 with their claims.

The first claimant, Whiskey Creek Ranch LLC filed on 2/10/2025 for a combination of water rights, claim number 13-9865. The water rights that were being combined are 13-688 and 13-7772 which were approved under Transfer No. 77048.

The second claimant, Whiskey Creek Water Users Assn Inc, filed on 1/22/2025 for a combination of water rights claim number 13-9660. The water rights that were being combined are 13-688 and 13-696B.

Because of the difficulty updating pedigree, this situation is only described by conditions added to the claims and parent WR#. Determination of 13-688 ownership will be evaluated at recommendation stage.
