REQUEST FOR EXTENSION OF TIME LETTER

RE: Permit No. 65-23769, 65-23803

Dear Permit Holder(s):

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit which extends the proof due date to **December 01, 2028**.

The Department granted this extension based on evidence of good cause. It is important that you work diligently toward the completion of the project during the development period allowed because the Department **will not** grant an additional extension based on good cause, pursuant to Idaho Code § 42-204(3)(f).

This approved extension also reinstates the permit and advances the priority date since the request and the filing fee was submitted after the permit proof due date. The priority date of this permit is advanced to **October 26, 2018** for permit 65-23769 and **October 29, 2018** for permit 65-23803, pursuant to Idaho Code § 42-218a(2).

The extension is a PRELIMINARY ORDER issued by the Department pursuant to Rule 730 of the Department's Rules of Procedure (IDAPA 37.01.01). It can and will become a final order without further action by the Department unless a party petitions for reconsideration or files an exception and/or brief within fourteen (14) days of the service date as described in the enclosed information sheet.

Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning this permit, please contact the State Office of the Department located in Boise at (208) 287-4800.

Sincerely,

A handwritten signature in blue ink, appearing to read "Amanda Velbell", is written over the printed name.
