REQUEST FOR VARIANCE

A request for variance from data logger installation requirements. Variances may be considered on a case-by-case basis by the Idaho Department of Water Resources (IDWR or Department). If a request **is not approved**, the owner or operator of the diversion must install a data logger as required. An IDWR approval or denial letter will be mailed to the applicant following receipt of their request.

INSTRUCTIONS:

To request a variance, submit the completed form to IDWR (see address on page 2). Complete one form per diversion location. Only one owner or operator should complete and submit this form for a shared diversion.
