PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 78-12525 and 78-12502

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use forms (proof) submitted for the above referenced permits.

A \$50.00 license examination fee was also submitted with each beneficial use form. A license examination fee is not required for a permit with a ground water source and a rate of diversion of 0.04 cfs or less. The fee will be returned to you in a separate mailing.

I am also returning the proof for water right 78-12502. The license for this water right was issued on March 31, 2020, proof is not needed for a licensed water right.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at www.idwr.idaho.gov.

If you have any questions, please contact the Western Region Office of the department located in Boise at (208) 334-2190.

Sincerely,

Julie Adams
